

**NOW ACCEPTING APPLICATIONS
FOR THE 2012 WILDLAND FIRE SEASON**

Rocky Mountain Fire District is looking for experienced wildland firefighters who are hard working, physically fit, self-motivated and willing to travel. We will have seasonal positions available to staff our Wildland Fire Module (6-8 person hand crew). In addition to the Fire Module, members will be asked to staff Type 3 or Type 6 Engines for local, regional and national fire dispatches.

As a professional organization we strive to provide the highest level of customer service.

The Module provides initial attack capabilities to the Fire District. While not fighting fire (in – district or out), the module is engaged in project work and other duties intent on maintaining fire readiness. The District has an aggressive mitigation program which includes homesite, subdivision and interagency projects. Our typical season runs from May to October.

Requirements:

- Three seasons of wildland firefighting experience.
- Minimal qualifications: FFT1, FALA, ICT5-Trainee.
- Desired additional qualifications: FALB, HECM, FEMO
- Applicants will be required to pass a pre-employment physical (including drug test) and pack test at the arduous level.

If interested please visit our website at: <http://www.rockymountainfire.org>. Complete a application and send or Email to:
